Song Status – Shows a list of songs and allows you to indicate which songs you have learned, are learning, or haven't started.

First Time Login Instructions

The original invitation to Groupanizer was sent out via email. You should have received an email from Groupanizer inviting you to change your password. That email should also contain your username. If you did not receive this email, please ask Tony to resend this email.

Once you have the Groupanizer invitation email, you can click on the link. It will bring you to a page for you to enter in your password. It will give you some feedback on how secure your password is. It is

Page 5 of 7

recommended to have at least three of the four types of characters in your password: Numbers, capital letters, lower case letters, Symbols.

After you have changed your password you may go to <u>http://soundofillinois.groupanizer.com/dashboard</u> and log in as above.

Frequently Asked Questions

- I don't have a username or password.
 - Please see the "First Time Log In" section above.
- I have forgotten my password!
 - Go to <u>http://soundofillinois.groupanizer.com/dashboard</u> and click on the 'Request New Password' link. Groupanizer will send password change instructions via email.
- How do I find the choreography videos?
 - Hover over the 'interact' button and select the Discussion Groups link.
 - Click on the 'choreography' link on the left side
 - > There is a link for the choreography for each set.
- How do I find the music on Groupanizer? How do I download Music from Groupanizer?
 - Click on the music button. You will see a list of songs.
 - > Click on a song name to look at the information for that song.
 - Sheet music and learning tracks (if they exist) are shown in the attachment section.
 - > To download, right click on the song name and click "Save As...."
- How do I get the music into my music software/iPod/etc.?
 - > There are many different kinds of music software, but in general the process will be as follows:
 - Download the learning tracks from Groupanizer (see above). Make sure you remember where you saved it.
 - > Open the music software you want to use
 - Go to the file menu, open.
 - > You might also be able to drag the songs onto the music software.
- How do I find out where I am supposed to stand on the risers?
 - Hover over Members menu bar icon
 - Click 'riser placement'
 - > Click on the link for the riser placement you are interested in.
- How do I update what songs I have learned?
 - Click on 'My Account'
 - Click on the song status tab
 - > You can change your status for all songs using the drop down
 - If you have comments about your status, you may click on the 'none' text and it will allow you to enter information
- How do I update which chorus events I will be going to?
 - Click on 'My Account'
 - Click on the 'attendance' tab
 - Select "no response, will attend, won't attend" under the 'plan' column.
 - > You may enter notes about your attendance by clicking on the 'none' text on the right.
- How do I update my profile/password/email?
 - Click on 'My Account'

- Click on the 'Edit' tab
- At that page you can change your password, upload a picture (used in riser placements) on the 'account' page.
- > Click the 'profile' link to change your other profile information.
- To change your E-mail address, click on the 'E-mail addresses' link. If you add a new email address, Groupanizer will send you an email to confirm that the email is valid.
